Silvaris Expands Coverage for OSBMarket™ Regions

Online availability for OSB grows

Bellevue, Washington – December 4, 2008 – Silvaris Corporation announced today the expansion of OSBMarket (www.osbmarket.com) into the Northwest states and Florida. Buyers in Washington, Oregon, Northern Idaho, and Florida will now be able to purchase OSB online. Existing regions were also refined to reflect better marketplace outreach.

Buying OSB online will now be even easier and more reliable than before. Refining regions allows for delivered prices that more accurately reflect freight costs in specific areas. Products will also be made available that may not be available in other areas.

Buyers in these areas can visit the website anytime 24/7 and view the most current products and prices available. Once an account is set up, members can purchase a load or more of OSB anytime. To find out which region to buy from, visit www.osbmarket.com and click on “Choose Your Desto”.

“We are really glad about being able to supply these regions,” said Kurt Bray, CEO of Silvaris. “Our ultimate goal is to make it possible for anyone in North America to buy OSB online, and the changes we have made today are just one more step towards that.”
